## JAP NAVAL DISASTER

ISLANDERS LOSE A CRUISER AND  
A GUNBOAT FROM STRIKING  
ON MINES.

Chefoo, July 30.—Refugees who have arrived here from Port Arthur say the Japanese lost a cruiser and gunboat last Thursday night as a result of striking mines.

### HEAVY FIRING HEARD.

Engagement Evidently in Progress Near Newchwang.

Newchwang, July 30.—Heavy firing was heard outside of Newchwang until 2 o'clock Friday afternoon.

M. Grosse, the Russian administrator of Newchwang, has gone to Peking. After the battle of Tachekiao fourteen trains were used to carry away the Russian forces engaged. It is said here that in this fight the Japanese did not come to close quarters, the battle being purely an artillery duel. The Russian losses at Tachekiao are declared here to have been slight.

The Japanese torpedoed and sunk the Russian torpedo boat destroyer Lieutenant Turukoff, and damaged two other torpedo boat destroyers in Pigeon bay last Sunday.

### AUGMENTED BY THOUSANDS.

Crowds Attending Saengerfest at Milwaukee Increasing.

Milwaukee, July 30.—The crowds attending the saengerfest of the Northwestern Saengerbund were augmented Friday by several thousand persons who arrived over the different railroad and steamer lines. It is estimated that the number of visitors will approximate 35,000.

At the matinee and evening festivals at the exposition building every seat was taken and the work of the soloists and choruses was greeted with much applause. Governor Robert M. La Follette and staff occupied a box at the evening concert.

There seems to be a general understanding on the part of the saengerfest delegates that Theodore Behrens of Chicago, the present vice president of the Saengerbund, will be elected to succeed Charles R. Richter as president. Mr. Richter has been president for the past six years and positively refuses to accept the nomination.

### SUCCEEDS ADMIRAL TAYLOR.

Rear Admiral Converse Appointed Chief of Navigation Bureau.

Washington, July 30.—Secretary Morton Friday announced the appointment of Rear Admiral George A. Converse as chief of the bureau of navigation, navy department, to succeed the late Rear Admiral H. C. Taylor, who died at Copper Cliffs, Ont., a few days ago.

## PORT ARTHUR TAKEN

RUMORED THAT RUSSIAN FORTRESS HAS BEEN CAPTURED BY THE JAPS.

### STORY LACKS CONFIRMATION

BUT IT IS CERTAIN THAT A GENERAL ASSAULT HAS BEEN IN PROGRESS.

Shanghai, July 30.—A telegram received here from Weihaiwei confirms other telegrams received here during the day from Chefoo to the effect that Port Arthur has been captured.

London, July 29.—8:40 p. m.—A dispatch to Reuters Telegram company from Weihaiwei, dated today, says: "It is supposed here that Port Arthur has been captured, as the British fleet is returning here tomorrow."

Presumably this report is from the same source as the dispatch from Shanghai reporting a Weihaiwei rumor that Port Arthur has fallen. The only basis for the report known here is that when Russia no longer occupies Port Arthur, the British, by the treaty, will evacuate Weihaiwei, and the inference is that the British fleet is returning to Weihaiwei to remove the stores, etc., from that place.

Not much credence is attached for the moment to the Weihaiwei report, though similar rumors are flooding the continent.

No further news regarding the reported fall of Port Arthur or war news of any kind has reached the London morning newspapers.

## GENERAL ASSAULT ON

JAPS ENGAGE IN THE LAST DESPERATE ATTEMPT TO TAKE PORT ARTHUR.

Chefoo, July 30.—Refugees who have just arrived from Port Arthur confirm previous reports that a general assault has been begun by the Japanese on that fortress and they declare that the Russians are sanguine that the Japanese could not succeed in capturing the place, even though they had twice as many troops. The Russians, according to the refugees' story, are still hoping for succor from General Kuropatkin. They are unwilling to believe the reports of his defeat at Tachekiao. The refugees further confirm the reports that the Russian fleet is in a state of repair but that the fleet is unwilling to attack that of Admiral Togo on account of the mines which the Japanese place nightly at the entrance to the harbor. It was believed at Port Arthur that if the Vladivostok squadron or reinforcements from General Kuropatkin should arrive the Russian fleet would take the risk of going out.

Ammunition is said to be growing scarce, and the large fort guns are not often discharged. Attempts to manufacture ammunition in Port Arthur are reported to have been failures.

All public buildings are being used for hospitals. The sick and wounded are being well cared for by volunteer nurses. The wounds made by the Japanese rifles are not dangerous except when vital spots are reached. Hundreds of badly wounded have quickly recovered from their wounds.

An American named Holt reports that Lieutenant Newton A. McCully, the American naval attaché now at Port Arthur, is well.

### NO NEWS FROM PORT ARTHUR.

Russian General Staff Does Not Credit Reported Fall of Fortress.

St. Petersburg, July 30.—At 12:30 a. m. the general staff announced that there was no news from Port Arthur and no more reason to credit the report that it had fallen than the many similar ones previously in circulation. It was pointed out that no line of official news has been received from Port Arthur this week and that since the occupation of Yinkow by the Japanese, anything from the fortress was likely to first reach Mukden and there be given out by Viceroy Alexieff. There is no confirmation of the reported sinking of a cruiser and gunboat on July 28.

The information contained in the press dispatches that the center of gravity of the military area will be shifted north is strengthened by the knowledge that one of the prominent Russian correspondents is proceeding to join General Linvitch's headquarters near Vladivostok. This might indicate a move toward Korea from this direction.

It has been ascertained that General Kuropatkin was at Anping during the fight at Tachekiao and it is believed he is still there, which would indicate that he expected General Kuroki will advance on Liaoyang.

### Death Followed Fortune.

South McAlester, I. T., July 30.—J. H. Murley of Denison, Tex., a freight brakeman, who recently inherited \$20,000 and who was making his last trip as brakeman, fell under the wheels of his train here Friday and was killed.

### IN BATTLE AT TACHEKIAO

General Oku Places Russian Loss at Two Thousand Men.

Tokio, July 30.—General Oku estimates the Russian losses at Tachekiao last Sunday to have been at the lowest 2,000 men, and in his report expresses the opinion that the Russians decided to retreat at midnight Sunday after the Japanese had stormed Laiping mountain in a surprising attack and carried most of the Russian left, leaving the right rear threatened. An immediate withdrawal alone averted a greater disaster to the Russians. The fighting around the fortresses on Laiping mountain was desperate. It was there that the Japanese sustained their heaviest losses, which are now estimated for the entire engagement at 1,000.

The Russians had evidently hoped to check General Oku at Tachekiao. The Russian defenses were the most extensive and the best that the Japanese have yet encountered. A series of rope protected trenches extended around the hills. The gun emplacements were covered and protected by wire entanglements, which barred the ravines.

Dominated the Japanese Position. The position dominated the ground which the Japanese occupied and over which they advanced.

Over 120 guns barred an infantry advance. Sunday afternoon a single Japanese detachment succeeded in penetrating the Russian line, but it was beaten back. The Japanese artillery was constantly exposed, and, occupying a disadvantageous position topographically, it was unable to score. At nightfall the situation seemed hopeless with the prospect of a bloody renewal at dawn. The Japanese right wing asked and obtained permission to surprise the enemy at night, which brought victory. The Japanese swept over the trenches in the first fortress at 10 p. m. This was followed by an assault on the second fortress, which was mastered at 3 a. m. The Russians abandoned Tachekiao at 11 a. m. Monday, the Japanese shelling them, and the vanguard pursuing.

### TO MAKE ANOTHER STAND.

General Kuropatkin's Forces Concentrating at Anshantien.

London, July 30.—Reports from General Kuroki's headquarters convey the belief that General Kuropatkin's headquarters and his reserves are now at Tangheyan and that he is preparing to make another stand at Anshantien, midway between Haicheng and Liaoyang.

## FORM OF THE DECREE

ARGUMENTS HEARD ON INJUNCTION IN NORTHERN SECURITIES CASE.

### ROOT FILES AN OBJECTION

COURT, HOWEVER, REFUSES TO ALLOW CORPORATION TO PAY A DIVIDEND.

Wilmington, Del., July 30.—Argument was heard before Judge Bradford in the United States circuit court Friday on the form of a decree to be issued in the Northern Securities case, the court having decided recently that an order could issue granting a temporary injunction restraining the Northern Securities company from making a pro rata distribution of its assets.

The Northern Securities company was represented Friday by Hon. Elihu Root and F. L. Stetson, and Judge R. F. Levett, R. V. Landerbury and Maxwell W. Everts represented the Hariman-Pierce-Oregon Short Line interests. Mr. Levett had prepared a decree which was submitted to the court. Mr. Root objected to the form of the decree and wanted it framed so that the Northern Securities company could pay a dividend out of the funds it now has on hand and to also distribute the stock, except what is tied up in this particular case.

Judge Bradford held that this could not be done as it was the duty of the court to protect all stockholders and retain all funds on hand until the final disposition of this case. He told the attorneys that he would prepare a decree and that it would be filed in Trenton some time next week. He also notified counsel for Hariman et al that they would be required to give a bond of \$2,000,000.

### Foreman Dangerously Hurt.

St. Joseph, Mo., July 30.—Foreman Charles Gettinger of the Nelson Morris plant, who refused to strike, was assaulted and dangerously injured by several men as he started for his home from work last night. He is unconscious and may die.

### IDENTITY STILL IN DOUBT.

Russian Police Do Not Know Name of Assassin.

St. Petersburg, July 30.—The police have not yet established the identity of the assassin of M. von Plehve or of his accomplices, though it has been ascertained that the former is a little Russian, which accounts for his noticeable accent. The accomplice is a Jew.

It has developed that the police for some time past have been aware that a plot was maturing against the emperor and notified one of the ministers that a party of fifteen anarchists had arrived in St. Petersburg. Several arrests were actually made some days before the assassination of the minister of the interior and the police had the assassin's house marked and a trap set for his arrest on the night of July 14, but he did not return home.

The bomb which the accomplice dropped in the canal after the assassination has been recovered by the police. It is foreign made, though it is believed to have been loaded in St. Petersburg. It is small and melon-shaped, and is believed to be fully as powerful as the one that killed M. von Plehve.

The requiem service at M. von Plehve's house Friday night was most impressive. Madame von Plehve and her son were present at the ceremony, as also were many officials and diplomats. A nun knelt before the coffin intoning prayers for the dead. These prayers will be continued with little interruption until after the interment.

The emperor will attend the funeral Sunday afternoon.

### M. WITTE OFFERED THE PLACE.

Czar Tenders Him Minister of the Interior Portfolio.

London, July 30.—The Daily Telegraph's Berlin correspondent says that Emperor Nicholas sent a telegram to M. Witte, president of the Russian council of ministers, asking his advice and offering him the post of minister of the interior with the title of chancellor.

### STEAMER TO BE RELEASED.

Arabia to Be Set Free as Soon as Contraband is Removed.

St. Petersburg, July 30.—The German steamer Arabia, which was captured by the Russian cruiser Gromobol off the Japanese coast July 22, will be released as soon as the contraband of war in her cargo is identified and removed.

## PROSPECTS FOR A GOOD YEAR

General Manager Gemmell of M. & I. Talks of Conditions Along the Line

### BUSINESS IS GOOD CONSIDERING

That Large Firms Did Not Get in as Many Logs During the Past Season.

General Manager Gemmell, of the M. & I., returned to his home in St. Paul yesterday afternoon after a trip over the line.

Mr. Gemmell is very much pleased with conditions along the line and states that prospects are good for the coming season. The company did not make provisions for a big year so that they were nothing out for business has been even better than they expected and with expenses down the profits will be very fair. It speaking of the future prospects of the line Mr. Gemmell said: "It looks now as though we would have a good season next year. Large logging contractors are getting ready for a big winter's cut and this will make business good in all lines."

Regarding the change in the schedule giving the M. & I. a night train Mr. Gemmell said that there was no foundation for the rumor that such action will be taken, anyway in the immediate future.

### BASE BALL NUBS

Brainerd will play Little Falls tomorrow afternoon at the Brainerd Athletic park and the game is for a \$50 side bet. The teams have met twice so far this year, Brainerd winning out by a close margin each time. The Little Falls boys are confident that they can beat Brainerd and are willing to wager \$50 that they are right in the presumption. So the game tomorrow should be a good one and there is no doubt but it will be very close. Boyle and Roderick will be the battery for the home team while Ferrell and Batters will do the like honors for Little Falls. The game will be called at 4 o'clock.

The Brainerd Elk team is getting in shape again and they have decided to take on new foes to conquer. They have branched out to Minneapolis now and a game of ball has been arranged between them and the Minneapolis Elk team which will be played in this city on August 23. This is the anniversary of the organization of the Brainerd lodge and the event, as in the past will be made an interesting one. The members of the Elk team will get out tomorrow for a warm up and Manager Adair and Capt. Poetz state that they will have the big ones, such as Joe Howe, trained down to fighting trim by August 23.

John H. Davlin, Houston—Was all run down; nothing did me any good until I got hold of Hollister's Rocky Mountain Tea. Now I am strong and well; gained forty pounds. 35 cents, Tea or Tablets. H. P. Dunn & Co.

New line of shot guns and rifles at D. M. Clark & Co.

## THE CHALLENGE IS OUT

Oscar Moxie Defies Chas. Moth and Others and Says He Will Throw that Gentleman on August 22.

Oscar Moxie, the big Swede wrestler, is out with a strong challenge which is directed to Chas. Moth in which he states that he will throw him two out of three falls, Greco-Roman, or forfeit any kind of a purse that may be put up. Moxie says that he is confident that he can get Moth now and the match which may be arranged in this city on August 22 ought to be something fierce.

### Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Goloblick of Colusa, Calif. writes. "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by H. P. Dunn & Co., druggists.

Official Route to Boston for the National Encampment G. A. R. is the North-Western Line

The official train will leave Minneapolis 9:00 a. m., St. Paul 9:35 a. m., August 13th, via the North-Western Line; running through to Boston without change of cars. ## IDENTITY REMAINS AN UTTER MYSTERY

Opinion Divided as to who the Man is that was Taken from the River

### A CONFLICT AS TO IDENTITY

The People where Michael Donahue Boarded Identify Dead Man Positively

There is a conflict over the identity of the dead man who was taken from the Mississippi river a few days ago and there are some very odd circumstances connected with the case.

Mr. and Mrs. Hess, where Michael Donahue boarded, are positive that the man is none other than he and even state that his clothing are exactly the same as worn by the man. On the other hand J. M. Quinn, for whom the man worked for a long time on the drives, is positive that the man is not Donahue.

Coroner Osterlund is rather up against it and he hardly knows just what to do. He does not feel like burying Michael Donahue if he is really alive, but the circumstances and facts as stated so far would indicate that he would be perfectly justified in burying this man as Donahue, notwithstanding there is a telegram from Minneapolis to the effect that the man is there and is well. The description given by Mr. and Mrs. Hess of Michael Donahue corresponds exactly with this man. He has sort of red hair, is short and stout, is smooth shaven, has false teeth and the clothing are exactly the same as those worn by Donahue. Another queer coincidence, and one which gives ground to the belief that the man is Donahue, is the fact that he complained a few days ago of having no shoes; that his were all worn out, but he went and purchased a new pair that very day. The man found in the river had a brand new pair of shoes on.

Coroner Osterlund has had the man embalmed and will hold him for several days to be sure of his identity.

August 24 and 25 are the next dates Prof. Bruns the optician will be at the National Hotel, to examine eyes free.

SYLVAN.

Sylvan Homestead of the Yeomen will give a dance at Sylvan lake on August 5.

It is estimated that about 13,000,000 feet of logs have been run down Crow Wing river this season, which is considerably less than last year's work.

M. E. Williams and Otto U'Darien are operating a saw mill on Crow Wing river near Sylvan. They have an 18 horse power engine and are sawing for the farmers in the vicinity.

The Yeomen were unable to come to terms with V. Pfremmer who owns the hall at Sylvan. W. B. Jones has offered the order the use of his hall at the lake and the lodge will meet there in the future.

School district No. 1, which embraces all of Cass county, bears the distinction of being about the largest school houses are to be erected and four will be moved to other locations.

A Methodist church is being erected north of the N. P. track. The building will be 24 by 36, two stories high and ready for occupancy within a short time. W. H. Robinson is the minister in charge, whose district will cover Motley, Pillager and Sylvan.

A young couple from Brainerd will remember Dever's ford for quite a while. The man picked out the deepest spot in the river and attempted to cut across while the gang of lumberjacks were running a driven drive the river. It took the combined yelling of the whole gang and the assistance of a lot of kids to save the young man and his best girl from floating away. Her beautiful white dress was completely drenched, while his collar was reduced to a mere reminiscence.

The bridge known as the Sylvan road bridge, within a mile of town, is still in the condition in which the flood left it. The approaches, one being on the Morrison county side and the other in Cass county, remain standing. Foot passengers are transferred by boat or can take their chances wading across the ford near the Dever farm. Teams can use this ford but high water suspends all traffic and consequently effects all farmers who desire to trade in Sylvan or Brainerd.

## MUSIC AND DRAMA.

GORTON'S MINSTRELS.

The advance sale of seats for the Gorton's Minstrels performance at the Brainerd opera house on Monday night opened this morning at H. P. Dunn & Co.'s drug store, and there was a good demand for seats. The seats will be selling at Dunn's over Sunday and those who wish good seats for this meritorious attraction should get in early.

An attractive feature of this minstrel this season, are the clever specialties of Miss Pearl Fell, one of the brightest child actresses in the specialty class.

This dainty little entertainer has a very amusing monologue, perfectly suited to her talents, and her dancing can be described as truly wonderful. As a monologist, she possesses the rare faculty of being an excellent story teller, her witticisms never failing to score with her audience. In her dancing she executes with skill and precision all the intricate steps of clog, buck and wing dancing, besides a variety of other terpsichorean diversions. She also takes part with Welby and Pearl in their comedy-dancing sketch, and is competent in every way to share in the responsibilities of success with those of established reputations.

The big street parade in the morning is a feature of this attraction. This organization carries one of the best bands in the country.

### "ON THE BRIDGE AT MIDNIGHT."

With a carefully constructed plot and telling a story of entrancing interest, "On the Bridge at Midnight" which will appear here on August 8 has proven to be a decided success scenically magnificent, and dramatically effective, this production has scored instant success and merit wherever it has played. The jack knife bridge scene is one of the most remarkable scenes and Mr. Klimt deserves great credit in putting before the public such a worthy production.

General Manager Gemmell of M. & I. Talks of Conditions Along the Line

## BUSINESS IS GOOD CONSIDERING

That Large Firms Did Not Get in as Many Logs During the Past Season.

General Manager Gemmell, of the M. & I., returned to his home in St. Paul yesterday afternoon after a trip over the line.

Mr. Gemmell is very much pleased with conditions along the line and states that prospects are good for the coming season. The company did not make provisions for a big year so that they were nothing out for business has been even better than they expected and with expenses down the profits will be very fair. It speaking of the future prospects of the line Mr. Gemmell said: "It looks now as though we would have a good season next year. Large logging contractors are getting ready for a big winter's cut and this will make business good in all lines."

Regarding the change in the schedule giving the M. & I. a night train Mr. Gemmell said that there was no foundation for the rumor that such action will be taken, anyway in the immediate future.

## BASE BALL NUBS

Brainerd will play Little Falls tomorrow afternoon at the Brainerd Athletic park and the game is for a \$50 side bet. The teams have met twice so far this year, Brainerd winning out by a close margin each time. The Little Falls boys are confident that they can beat Brainerd and are willing to wager \$50 that they are right in the presumption. So the game tomorrow should be a good one and there is no doubt but it will be very close. Boyle and Roderick will be the battery for the home team while Ferrell and Batters will do the like honors for Little Falls. The game will be called at 4 o'clock.

The Brainerd Elk team is getting in shape again and they have decided to take on new foes to conquer. They have branched out to Minneapolis now and a game of ball has been arranged between them and the Minneapolis Elk team which will be played in this city on August 23. This is the anniversary of the organization of the Brainerd lodge and the event, as in the past will be made an interesting one. The members of the Elk team will get out tomorrow for a warm up and Manager Adair and Capt. # TO AFFECT NEW YORK

STRIKE OF PACKHOUSE EMPLOYEES TO BE EXTENDED TO THAT CITY.

## PEACE EFFORTS ALL FAIL

PACKERS REFUSE TO HOLD ANY MORE CONFERENCES WITH THE STRIKERS.

Chicago, July 30.—Unable to arrange a conference with representatives of the New York packers, Michael J. Donnelly, president of the Amalgamated Meat Cutters and Butcher Workmen of America, has ordered a strike of all the members of his organization employed in New York by Schwarzschild & Sulzberger and the United Dressed Beef company. The order, which was telegraphed to New York last night, does not go into effect until Sunday, as the men in the Eastern packing plants do not report for work on Saturday.

The decision to extend the strike to the East was not taken until after Mr. Donnelly and his associates had spent the day in a fruitless effort to arrange a meeting with representatives of the Eastern packers who came to Chicago to acquaint themselves with the situation here. The general belief was that the New York packers had come West to make terms with the butchers, but if such was the case they changed their minds after investigating the progress that had been made here in working the packing plants with non-union employees.

At 5 o'clock last night, when Homer D. Call, secretary of the national organization of the butcher workmen, made a final appeal over the telephone to the representatives of Schwarzschild & Sulzberger for a meeting between the members of that firm and the officers of his union, he was told that the Eastern packers had nothing to offer the men should a meeting be arranged and that the conference would only be a waste of time. When this announcement of the Eastern packers had been communicated to Mr. Donnelly he decided on the strike order.

### Settlement Seems Remote.

That the probabilities of a settlement by the opposing interests in Chicago are as remote as ever was plainly demonstrated Friday, when Henry C. Wallace of Des Moines, Ia., and A. L. Ames of Buckingham, Pa., called on the different packers with a proposition from the strike leaders offering to concede the most important point in the controversy if the employers would agree to renew peace negotiations. Mr. Wallace and Mr. Ames were told by the packers that there was no possible chance for any further conciliatory move and that the packers were now in a position where they could ignore the labor unions, and that they proposed to do so. The packers' answer was delivered to the strike leaders and the men from Iowa left for home.

From a statement made by President Donnelly last night it would appear that the men are becoming anxious to get back to work.

"We shall be glad to confer with representatives of the packers at any time," said Mr. Donnelly. "While I cannot say that our position is in any way changed, we are not anxious to keep up a running fight and shall be glad if a settlement can be effected."

A meeting of the allied trades was held Friday to consider the question of a renewal of the strike of the livestock handlers. These men quit several days ago, but returned to work at the instigation of the independent packers.

### Men Went Back to Work

With the understanding that only animals intended for the independent packers were to be handled, but they were soon handling livestock indiscriminately. It was decided to request a cessation of handling of livestock for packers whose forces are on strike. No decision was reached regarding calling out the freight handlers.

Following the arrest of George F. Golden, chief of the packing teamsters' union, riots became more frequent in the vicinity of the stock yards. In one disturbance a mob captured a loaded meat wagon after it had left the stock yards, upset the wagon and threw the meat into the street. The most serious riot of the day occurred in South Chicago, where five men were arrested for trying to prevent the delivery of meat.

More business was done Friday by the packers than at any time since the strike began. The packers claim that fully 13,000 men are now at work. At a meeting of the leaders of the men on strike, a resolution was adopted denouncing the city administration, including Mayor Harrison, Chief of Police O'Neill and Inspector Hunt. It was also decided to appeal to Sheriff Thomas Barrett for protection. What benefit the strikers hope to derive from an appeal to the county officials is known only to themselves.

### Strikers Badly Beaten.

Omaha, July 30.—William Ryder and Joseph Korbe, strikers, were badly beaten by packinghouse watchmen while the latter were trying to unload a number of strike breakers from a train at Swift's packing plant. Several shots were fired but nobody was seriously hurt.

### LEISHMAN SEES THE SULTAN.

American Minister Obtains the Long Sought Interview.

Washington, July 30.—Minister Leishman has called the state department from Constantinople that he had a long interview with the sultan Friday. No details were given, but it is assumed by the officials here that the interview was satisfactory. He has been trying many months to gain personal access to the sultan, so that he has made substantial progress.

## MORE ACTIVITY IN THE WEST.

But Fall Trade Is Very Slow to Assume Form.

New York, July 30.—Bradstreet's weekly review of trade says more activity is noted at a few Western centers, but fall trade is slow to assume form, pending assurance as to crop results and settlement of existing industrial disturbances. Crop conditions are, on the whole, favorable, though irregularity in sections prevents generalization. Fall inquiry and shipments of goods are living up at the West and are expected to become active early in August. The movement of winter wheat to market, somewhat delayed this year, has begun in earnest. Coincidentally, improvement in collections is shown at some centers and the demand for money from the country has increased. The movement of currency to move crops has assumed good proportions this week. Advances from some Western markets point to more doing in fall dry goods, shoes and clothing. Good crop prospects favorably influence Southern trade, which is expected to prove excellent later on. Trade at Eastern markets is still rather quiet. The Fall River strike, the packinghouse strike and the probable suspension of coal mining, affecting 80,000 men, is a serious feature of the industrial outlook. Pacific coast trade is dull.

## VISIT THE ST. LOUIS FAIR.

Sons of President Roosevelt View the Exposition.

St. Louis, July 30.—Theodore, Jr., and Kermit Roosevelt, sons of the president, accompanied by their cousins, Philip Roosevelt and Alexander Russell, arrived at the Inside Inn last night. Archie Roosevelt, who was expected, was not in the party. After a hasty meal, the youths procured an automobile and made a tour of the world's fair grounds.

## Body Found in a River.

Superior, Wis., July 30.—Supposed to be visiting in St. Paul and Minneapolis, Miss Mary Gates was found Friday to have lost her life about a week ago. Her body was found in the St. Louis river opposite Billings Park. It is thought that she had a spell of sickness and fell from a train while crossing the river.

## WILL STUDY MORMON QUESTION.

Judge Parker May Deal With It in His Letter of Acceptance.

Esopus, N. Y., July 30.—Mayor George B. McClelland of New York spent an hour with Judge Parker Friday afternoon. It was announced that the call was informal and that politics were discussed only in a general way. The Mormon question was taken up with Judge Parker Friday by Senator Fred Dubois of Idaho. The senator met the presidential candidate for the first time Friday. After the New York party left Rosemount the senator asked Judge Parker to take up the Mormon question as set forth in the Democratic platform in his letter of acceptance of the Democratic nomination. Judge Parker exhibited great interest in the subject and promised to make it a study before closing his letter.

Conditions in several of the Western states, Senator Dubois said, give the Democrats a good chance of success. Chairman Thomas Taggart of the Democratic national committee stopped at Esopus last night on his way back to Indianapolis and arrived at Rosemount about 9 o'clock. Chairman Taggart and Judge Parker held a conference, but neither would discuss what occurred. Mr. Taggart staid but a short time and left for Indianapolis.

Two Men Killed and Four Others Hurt in a Collision.

Sharon, Pa., July 30.—Running forty miles an hour, a passenger train on the Pennsylvania railroad Friday crashed into an engine in a head-on collision at Sharpville, causing the death of two men and the serious injury of four others.

The dead are James Robinson, engineer passenger train; Charles McWilliams, fireman.

The wreck was caused, it is alleged, by a lapse of memory on the part of the crew in charge of the engine.

## EDDIE HANLON DEFEATED.

Battling Nelson of Chicago Whips the Californian.

San Francisco, July 30.—In one of the fiercest battles ever witnessed in this city "Battling" Nelson of Chicago last night defeated Eddie Hanlon of San Francisco, the end coming in the nineteenth round. From the time of the ringing of the signal for the commencement of the fight the youngsters began mixing matters in the liveliest manner. Hanlon fought in his usual fashion but the Chicago lad early penetrated the guard of the Californian, who bore several facial marks before the tenth round, testifying to the accuracy and force of his opponent's blows. It was almost an even thing until the fifteenth round, with the boys fighting fiercely.

After the fifteenth the tide of battle began to go toward Nelson, who throughout, although very heavily punished about the face and body, had maintained his usual powers of endurance and assimilation of punishment. The sound of the gong in the eighteenth saved Hanlon from defeat at that point, but in the next round he came up so badly dazed that Nelson had him at his mercy and was battering him around the ring until the spectators called for the contest to be stopped and Hanlon's seconds threw up the sponge.

## CORTELYOU IN CHICAGO.

Will Discuss Conditions in Western States With Politicians.

Chicago, July 30.—Chairman George B. Cortelyou of the Republican national committee arrived at Chicago last night. A score or more of prominent Republican politicians of the surrounding territory have been invited to meet Mr. Cortelyou today, when conditions in the various Western states will be discussed. It is expected that an announcement will be made today by Mr. Cortelyou of the names of the five Western men who are to be members of the national executive committee.

# TO AFFECT NEW YORK

STRIKE OF PACKINGHOUSE EMPLOYEES TO BE EXTENDED TO THAT CITY.

PEACE EFFORTS ALL FAIL

PACKERS REFUSE TO HOLD ANY MORE CONFERENCES WITH THE STRIKERS.

Chicago, July 30.—Unable to arrange a conference with representatives of the New York packers, Michael J. Donnelly, president of the Amalgamated Meat Cutters and Butcher Workmen of America, has ordered a strike of all the members of his organization employed in New York by Schwarzschild & Sulzberger and the United Dressed Beef company. The order, which was telegraphed to New York last night, does not go into effect until Sunday, as the men in the Eastern packing plants do not report for work on Saturday.

The decision to extend the strike to the East was not taken until after Mr. Donnelly and his associates had spent the day in a fruitless effort to arrange a meeting with representatives of the Eastern packers who came to Chicago to acquaint themselves with the situation here. The general belief was that the New York packers had come West to make terms with the butchers, but if such was the case they changed their minds after investigating the progress that had been made here in working the packing plants with non-union employees.

At 5 o'clock last night, when Homer D. Call, secretary of the national organization of the butcher workmen, made a final appeal over the telephone to the representatives of Schwarzschild & Sulzberger for a meeting between the members of that firm and the officers of his union, he was told that the Eastern packers had nothing to offer the men should a meeting be arranged and that the conference would only be a waste of time. When this announcement of the Eastern packers had been communicated to Mr. Donnelly he decided on the strike order.

Settlement Seems Remote.

That the probabilities of a settlement by the opposing interests in Chicago are as remote as ever was plainly demonstrated Friday, when Henry C. Wallace of Des Moines, Ia., and A. L. Ames of Buckingham, Ia., called on the different packers with a proposition from the strike leaders offering to concede the most important point in the controversy if the employers would agree to renew peace negotiations. Mr. Wallace and Mr. Ames were told by the packers that there was no possible chance for any further conciliatory move and that the packers were now in a position where they could ignore the labor unions, and that they proposed to do so. The packers' answer was delivered to the strike leaders and the men from Iowa left for home.

From a statement made by President Donnelly last night it would appear that the men are becoming anxious to get back to work.

"We shall be glad to confer with representatives of the packers at any time," said Mr. Donnelly. "While I cannot say that our position is in any way changed, we are not anxious to keep up a running fight and shall be glad if a settlement can be effected."

A meeting of the allied trades was held Friday to consider the question of a renewal of the strike of the livestock handlers. These men quit several days ago, but returned to work at the instigation of the independent packers.

Men Went Back to Work

With the understanding that only animals intended for the independent packers were to be handled, but they were soon handling livestock indiscriminately. It was decided to request a cessation of handling of livestock for packers whose forces are on strike. No decision was reached regarding calling out the freight handlers.

Following the arrest of George F. Golden, chief of the packing teamsters' union, riots became more frequent in the vicinity of the stock yards. In one disturbance a mob captured a loaded meat wagon after it had left the stock yards, upset the wagon and threw the meat into the street. The most serious riot of the day occurred in South Chicago, where five men were arrested for trying to prevent the delivery of meat.

More business was done Friday by the packers than at any time since the strike began. The packers claim that fully 13,000 men are now at work.

At a meeting of the leaders of the men on strike, a resolution was adopted denouncing the city administration, including Mayor Harrison, Chief of Police O'Neil and Inspector Hunt. It was also decided to appeal to Sheriff Thomas Barrett for protection. What benefit the strikers hope to derive from an appeal to the county officials is known only to themselves.

Strikers Badly Beaten.

Omaha, July 30.—William Ryder and Joseph Korbe, strikers, were badly beaten by packinghouse watchmen while the latter were trying to unload a number of strike breakers from a train at Swift's packing plant. Several shots were fired but nobody was seriously hurt.

LEISHMAN SEES THE SULTAN.

American Minister Obtains the Long Sought Interview.

Washington, July 30.—Minister Leishman has cabled the state department from Constantinople that he had a long interview with the sultan Friday. No details were given, but it is assumed by the officials here that the interview was satisfactory. He has been trying many months to gain personal access to the sultan, so that he has made substantial progress.

# MORE ACTIVITY IN THE WEST.

But Fall Trade Is Very Slow to Assume Form.

New York, July 30.—Bradstreet's weekly review of trade says more activity is noted at a few Western centers, but fall trade is slow to assume form, pending assurance as to crop results and settlement of existing industrial disturbances. Crop conditions are, on the whole, favorable, though irregularity in sections prevents generalization. Fall inquiry and shipments of goods are lively up at the West and are expected to become active early in August. The movement of winter wheat to market, somewhat delayed this year, has begun in earnest. Coincidentally, improvement in collections is shown at some centers and the demand for money from the country has increased. The movement of currency to move crops has assumed good proportions this week. Advances from some Western markets point to more doing in fall dry goods, shoes and clothing. Good crop prospects favorably influence Southern trade, which is expected to prove excellent later on. Trade at Eastern markets is still rather quiet. The Fall River strike, the packinghouse strike and the probable suspension of coal mining, affecting 80,000 men, is a serious feature of the industrial outlook. Pacific coast trade is dull.

WILL STUDY MORMON QUESTION.

Judge Parker May Deal With It in His Letter of Acceptance.

Esopus, N. Y., July 30.—Mayor George B. McClellan of New York spent an hour with Judge Parker Friday afternoon. It was announced that the call was informal and that politics were discussed only in a general way. The Mormon question was taken up with Judge Parker Friday by Senator Fred Dubois of Idaho. The senator met the presidential candidate for the first time Friday. After the New York party left Rosemount the senator asked Judge Parker to take up the Mormon question as set forth in the Democratic platform in his letter of acceptance of the Democratic nomination. Judge Parker exhibited great interest in the subject and promised to make it a study before closing his letter.

Conditions in several of the Western states, Senator Dubois said, give the Democrats a good chance of success.

Chairman Thomas Taggart of the Democratic national committee stopped at Esopus last night on his way back to Indianapolis and arrived at Rosemount about 9 o'clock. Chairman Taggart and Judge Parker held a conference, but neither would discuss what occurred. Mr. Taggart staid but a short time and left for Indianapolis.

TRAIN STRIKES AN ENGINE.

Two Men Killed and Four Others Hurt in a Collision.

Sharon, Pa., July 30.—Running forty miles an hour, a passenger train on the Pennsylvania railroad Friday crashed into an engine in a head-on collision at Sharpville, causing the death of two men and the serious injury of four others.

The dead are James Robinson, engineer passenger train; Charles McWilliams, fireman.

The wreck was caused, it is alleged, by a lapse of memory on the part of the crew in charge of the engine.

# EDDIE HANLON DEFEATED.

Battling Nelson of Chicago Whips the Californian.

San Francisco, July 30.—In one of the fiercest battles ever witnessed in this city "Battling" Nelson of Chicago last night defeated Eddie Hanlon of San Francisco, the end coming in the nineteenth round. From the time of the ringing of the signal for the commencement of the fight the youngsters began mixing matters in the liveliest manner. Hanlon fought in his usual fashion but the Chicago lad early penetrated the guard of the Californian, who bore several facial marks before the tenth round, testifying to the accuracy and force of his opponent's blows. It was almost an even thing until the fifteenth round, with the boys fighting fiercely.

After the fifteenth the tide of battle began to go toward Nelson, who throughout, although very heavily punished about the face and body, had maintained his usual powers of endurance and assimilation of punishment. The sound of the gong in the eighteenth saved Hanlon from defeat at that period, but in the next round he came up so badly dazed that Nelson had him at his mercy and was battering him around the ring until the spectators called for the contest to be stopped and Hanlon's seconds threw up the sponge.

It is expected that an announcement will be made today by Mr. Cortelyou of the names of the five Western men who are to be members of the national executive committee.
